1. About this Policy

This Privacy Policy relates to services provided by HyperHouse Technology AB (“Service Provider”) and the following services:

- www.tessel.pl
- www.bim.cloud
- www.hdc.cloud
- www.tessel.com
- www.tessel.se

2. Collection of information

We collect information from you when you register on our site, subscribe to a newsletter, respond to a survey, fill out a contact form or otherwise enter information on our site.

3. Use of information

We may use the information we collect in the following ways:

- To personalize your experience and to allow us to deliver the type of content and product offerings in which you are most interested
- To improve our website to better serve you
- To send periodic emails regarding your order of products, services or events
- To follow up with you after correspondence

4. Protection of information

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems and are required to keep the information confidential. We implement a variety of security measures when a user places an order enters, submits, or accesses their information to maintain the safety of your personal information.

5. Third-party disclosure

We do not sell, trade, or otherwise transfer the data we collect to outside parties. This does not include website hosting partners and other parties who assist us in operating our website, conducting our

business, or serving our users, so long as those parties agree to keep this information confidential. We may also release information when it's release is appropriate to comply with the law, enforce our site policies, or protect ours or others' rights, property or safety. However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

6. Use of Cookies and Similar Technologies

HyperHouse Technology AB uses cookies (small text files placed on your device) and similar technologies to provide our websites and online services and to help collect data.

The text in a cookie often consists of a string of numbers and letters that uniquely identifies your computer, but it can contain other information as well.

HyperHouse Technology AB uses cookies and similar technologies for several purposes, depending on the product, including:

Preferences and Settings

Settings that enable our website and services to operate correctly or that maintain your preferences over time may be stored on your device.

Authentication

When you sign into a website using your personal account, we store a unique ID number, and the time you signed in, in an encrypted cookie on your device. This cookie allows you to move from page to page within the site without having to sign in again on each page.

Analytics

In order to provide our products, we use cookies and other identifiers to gather usage and performance data. For example, we use cookies to count the number of unique visitors to a web page or service and to develop other statistics about the operations of our products.

7. How to Control Cookies

Please refer to your browser help for controlling how cookies are handled. Some hints are listed below:

Chrome

- From the Chrome menu in the top right corner of the browser, select Settings.
- At the bottom of the page, click Show advanced settings
- Under Privacy, select Content settings
- To manage cookie settings, check or uncheck the options under "Cookies".
- To view or remove individual cookies, click All cookies and site data... and hover the mouse over the entry. Select the X that appears next to the cookie to remove it.
- To delete all cookies, click All cookies and site data... and select Remove all.

Firefox

- From the Tools menu, select Options. If the menu bar is hidden, press Alt to make it visible.
- At the top of the window that appears, click Privacy and follow the onscreen instructions.

Internet Explorer

- From the Tools menu, or the Tools drop-down at the upper right, select Internet Options and follow the onscreen instructions.

Safari

- In Safari, from the Safari menu, select Preferences....
- In the Safari preferences window, click Security and follow the onscreen instructions.

8. Change or remove your data

You can at any time unsubscribe or change your subscription from future emails by following the instructions at the bottom of each email. Your subscription will then be automatically updated.

9. Changes to the Privacy Policy

We might update and change this policy without prior notice. When this policy is changed, a new version is published and made available on our website.

10. Contact information
